The light of God surrounds us,
The love of God enfolds us,
The power of God protects us,
The presence of God watches over us.
Where ever we are, God is, we are Loved, and all is well.

Everything comes from Intelligence. There is nothing but Unity; there is nothing but Freedom; there is nothing but Completeness; there is nothing but Totality.

The Divine Plan is one of Freedom; bondage is not God-ordained. Freedom is the Birthright of every living soul.

If I have faith in myself, faith in my fellowmen, in the Universe and in God, that faith will Light the place where I find myself, and by the Light of this faith, I will know that ALL is Good.

Mind cannot act against itself; and any person who knows this, and knows there is no human mind to destroy is immune from malpractice.

No barriers, no masses of matter, however enormous, can withstand the powers of the mind; the remotest corners yield to them, all things succumb; the very Heaven itself is laid open.
PEACE - An inner calm so complete that nothing can disturb it. The Peace which comes only from the Knowledge that It is All... A realization of our Oneness with Omnipresence brings peace, the peace which is accompanied by a sense of Power.

Infinite Intelligence within me rules me, and guides and directs all of the organs in my body, so that they function perfectly according to their nature. I am an open channel for good to flow in and through me, freely, generously, cheerfully.

Health is not the absence of disease; Health is the presence of something natural.

Disease is not natural, has no power, and does not belong in my life for any reason... Once I realize that my real nature is Health, All Power moves into my Life to support that Understanding.

Any wrong condition in the human body is made from exactly the same substance from which the most perfect form is created. The pure and perfect Light of Spirit dissipates and dispels every discordant form, for those things which are not implanted by Divine Spirit have no Law to support them.
Divine Love within me removes from my consciousness every thought unlike God or unlike Good. In my physical body there is only room for perfection... God-life in and through me forever cleanses, heals, and renews every organ and every atom in my body after the pattern of perfection.

God’s perfect plan of bodily health is bearing fruit, and I am made whole.

Forgetting the things that are behind, I realize I am strong, positive, powerful, wise loving, fearless, free spirit. I am God’s perfect child.

As a beloved child of God, I claim God’s gifts of love, peace, and prosperity.

My body is the temple of God, cleansed, purified, undefiled, made perfect. Praise God!

Perfect God with in me, Perfect Life within me, which is God, come forth into expression through me as that which I am; lead me ever to the paths of perfection and cause me to see only the Good.
No Harm Shall Befall Us

No harm shall befall us, my friend,
For a Divine Presence attends our way and
Guards us into The All Good.
Loving kindness awaits us at every turn of Life’s road.
Guidance is ours along the pathway of experience,
And an Infallible Power protects us.
God, Himself, and no other is our Keeper.

The Power to Live

We have the power to live the life of good.
Our power is from on High, it cannot be taken from us;
It will not leave us desolate.
Power flows through us and is in us, and
We can now feel and sense it.
The Power to live is in us and it cannot desert us.
It is our power and is continually present.
We are the power to live.

The Circle of Love

A Circle of Love is drawn around me and mine, and all.
A Circle of Love is drawn around us.
No harm can enter that Sacred Circle, for it is the Love of God.
It is a complete protection from all evil.
“We will fear no evil, for Thou art with us.”
There is no evil and no harm.
We are free from all sense of fear. Love surrounds and protects us.

May the Light within, the spark of divinity expressing as my enlightened soul, honor, cherish, and love the God-life within every person I meet. It is truly a wonderful world where God is alive within everything. Make me a Blessing to every person I meet and let me always remember that ALL is Good.

Through my eyes, God sees the perfection of His Kingdom. I, too, see perfection in all creation... the beauty of Omnipresent God.

I will lift up my eyes unto God, from who comes my perfect sight.

My Spiritual Vision is clear, and my faith in Spiritual Substance is unshaken.

Love fulfills all the laws of life... there are no restrictions, no burdens, no inhibitions in Love, which is the very life within.

My dominion... is the power to be all that I truly am and to choose my perfect expressions.
One, alone in consciousness with the Infinite constitutes a complete majority.

Disregarding all evidence to the contrary, the student of Truth will maintain that he lives in a Perfect Universe amongst people potentially perfect.

The Spirit can do for us only what It can do through us. Unless we are able to provide the consciousness, It cannot make the gift.

Our creative dreams and yearnings come from a divine source. As we move toward our dreams, we move toward our divinity.
